To the Resident/Business Manager

**Notification of Construction of Emergency Storage for Sewerage Pump Station A4
Oak Avenue, Surfers Paradise**

The purpose of this letter is to advise you of scheduled construction work to be undertaken by the City of Gold Coast. The City will be constructing infrastructure to augment the existing sewerage pump station A4 in the vicinity of your property.

JFM Civil Contracting Pty Ltd will be undertaking the work on behalf of the City. It is expected that the work will be restricted to Oak Park near the pump station in Oak Avenue.

The work is scheduled to commence on **13 March 2017 and expected to be completed within 20 weeks** (weather permitting).

Work will generally take place Monday to Friday between 7am and 5pm.

There will be no disruption to your sewerage service.

Nine mature trees within the park will be removed to make way for the construction work. However, compensatory planting will take place following completion of work.

I would like to take this opportunity to apologise for any inconvenience you may experience as a result of this work being undertaken and thank you for your cooperation. If you require further information please call our Customer Contact Centre on 1300 000 928 or visit our website at cityofgoldcoast.com.au/water.

Yours faithfully

Brett Lawrence
Manager Asset Solutions
For the Chief Executive Officer
Council of the City of Gold Coast
